Announcement of J-Techtrix 5.0

Finally, the wait is over. We are back with J-Techtrix 5.0 on 27th March 2k20 at our college premises. It is a platform for students where they can showcase their innovative and scientific skills. It objectifies to provide an opportunity to explore a world of technology by creating projects and learning new expertise and teamwork.

Rules:

- One model/project may be presented by a group of Minimum four students and Maximum six students.
- Students of other colleges can also participate.
- Repetition of models/projects will not be allowed by different groups.
- To participate in this activity every team/group (up to four members) has to fill the google registration form on or before Feb 22, 2020 along with registration fee of Rs. 500/-.
- If there is any addition of participant (more than four), Rs. 125/- per participant will be applicable up to six participants.
- Participating students have to submit write up (proposal) on Model/Projects using given format on or before Saturday, March14,2020.

Registrations have started. Don't let the opportunity slip out of your hands.
